FAQ

*? **Q1: How long is the lead time for the product?**

A: The lead time for the product is approximately 15-20 days. For OEM/ODM products, the lead time is shorter, around 10-15 days. For custom products, the lead time is longer, around 20-30 days.

? **Q2: Can you provide OEM/ODM services?**

A: Yes, we provide OEM/ODM services. We can produce products according to your requirements and specifications.

? **Q3: What is the minimum order quantity (MOQ)?**

A: The minimum order quantity (MOQ) is 1000 units. For OEM/ODM products, the MOQ is 500 units.

? **Q4: Can you provide samples?**

A: Yes, we can provide samples. The sample fee is \$100 per unit, and the shipping fee is \$50 per unit.

*? **Q5: How do you ensure the quality of the product?**

A: We ensure the quality of the product by using high-quality materials and strict quality control. We have a professional quality control team that checks every product before shipping.

*? **Q6: How do you handle after-sales service?**

A: We provide 24-hour after-sales service. We will solve any problem you encounter as quickly as possible.

*? **Q7: How do you handle payment?**

A: We accept T/T 30% as a deposit. The remaining 70% is paid after the product is shipped.

30% **Q8: How long is the warranty period?**

A: The warranty period is 12 months. We will replace any defective product within 7 days of receiving the report.
