# FAQ

\*? **Q: How long is the lead time?**

A: The lead time depends on the quantity and the complexity of the design. For standard products, the lead time is usually 15-20 days. For custom products, the lead time is usually 25-30 days. We will provide a detailed lead time schedule after receiving your order.

\*? **Q: Can you provide OEM/ODM services?**

A: Yes, we provide OEM/ODM services. We can produce products according to your requirements and specifications.

\*? **Q: What is your payment terms?**

A: Our payment terms are T/T 30% in advance and 70% before shipment. We also accept L/C at sight.

\*? **Q: How do you ensure the quality of the products?**

A: We have a strict quality control system. We will inspect the products at every stage of the production process to ensure that they meet the required quality standards.

\*? **Q: Can you provide samples for testing?**

A: Yes, we can provide samples for testing. The sample fee will be refunded to you if you place an order with us. We will also provide technical support and assistance throughout the production process.

\*? **Q: How do you handle shipping and logistics?**

A: We have a professional shipping and logistics department. We will provide you with the best shipping options and the most competitive shipping rates. We also provide door-to-door service, including customs clearance and delivery to your door.
