

Foshan ZXC ASA Tegola in resina sintetica è un nuovo tipo di Materiale di copertura prodotto mediante una tecnologia avanzata di coestrusione e uno speciale processo di stampaggio utilizzando la resina tecnica ASA ad altissima resistenza agli agenti atmosferici.

nome del prodotto	tegola in resina sintetica
Luogo d'origine	Città di Foshan, provincia di Guangdong, Cina (continente)
Garanzia	25 anni
Tempi di consegna	1x20GP per 6 giorni, 1x40GP per 7 giorni
Larghezza complessiva	1050 mm
Spessore	2,3 mm/2,5 mm/2,8 mm/3,0 mm
Spaziatura delle onde	160 mm
Marca	ZXC
Material	Copolimero acrilonitrile stirene acrilato, cloruro di polivinile, polvere di calcio, altri materiali chimici
Certificazione	ISO9001/SGS/CE
Lunghezza della sezione	219 mm
Larghezza effettiva	960 mm
Lunghezza	Deve essere un multiplo di sezione

Altezza d'onda	30 mm
----------------	-------

1. Quantità di ordine minimo 100 metri quadrati
2. Capacità di fornitura Abbiamo 8 linee di produzione, circa 13500 metri quadrati ogni giorno
3. Termini di pagamento T/T, in primo luogo pagare il deposito del 30%, prima di caricare il container pagare il resto del pagamento L/C.
4. Servizio di spedizione a carico completo del container (FCL), lo facciamo da solo.
Servizio Less than Container Load (LCL), Troviamo i nostri agenti per farlo.
Pacchetto Pallet o sacchetto PE
Porto Guangzhou/Shenzhen/Foshan
5. Copertura della villa di applicazione, copertura della casa, giardino, grange, casa del contenitore, progetto piano al pendio, ecc

Immagini dettagliate

ZXC ASA

Tegola in resina sintetica
Super tenacità, garantita 50 anni.
Il colore è più brillante, bello ma non sbiadisce. Antigrandine, sostituzione senza pastella. Esso utilizza una resina migliore come materia prima per garantire una migliore tenacità e una maggiore durata.

descrizione del materiale

Materia prima ASA importata da GELOY Co., Ltd. La superficie è luminosa come uno specchio. Non contenente amianto e radioattivo elementi, riciclabili e pienamente rispondenti alle esigenze di tutela dell'ambiente green.

Applicazione

Impianti di alta qualità, acciaierie, magazzini, mercato agricolo, accesso al mercato, capannoni e altri materiali di copertura di fascia alta.

Soprattutto in impianti chimici corrosivi, fonderie, impianti ceramici, fabbriche di salsa di soia, impianti chimici, impianti di stampa e tintura, fabbrica di solventi organici, acidi, alcali e altri impianti corrosivi.

caratteristiche del prodotto

1.Lasting Color

ZXC ASA roof tile is coated with ASA on surface and PVC on bottom, it is stable when exposed to chemical agents such as industrial emissions, fog, salt, acids, alkali etc.

2.Excellent Anti-load Performance

After testing, with a support distance of 660mm, loading 150kg, the roof tile will not crack and damage.

3.Good Sound Insulation

Has good noise absorption performance when it is affected by external noise such as heavy rain and wind.

4.Excellent anti-corrosion performance

After soaking for 24 hours in salt, alkali and 60% of various acids. It is very suitable for using in acid rain areas coastal areas, and the effect is particularly remarkable.

5.Excellent heat preservation and insulation performance

ZXC ASA roof tile is coated with ASA on surface and PVC on bottom, it is stable when exposed to chemical agents such as industrial emissions, fog, salt, acids, alkali etc.

6.Fire Proof Grade B

Difficult to burn, the fire proof level can reach Grade B and meets the common safety requirements in most areas.

7.Excellent Insulating Property

ASA synthetic resin roof tile is an insulation product, and it will be intact in case of accidental discharge.

7.Quick Installation

ASA synthetic resin roof tile has an effective width 960mm and high paving efficiency, light weight, easy loading and unloading, and with complete installation accessories.

Introduzione dell'azienda

Foshan ZXC New Material Technology Co., Ltd is a professional manufacture for ASA Synthetic Resin Roof Tile, PVC Anti-corrosion Roof Sheet, APVC Plastic Roofing Sheet, UPVC heat insulation Roofing Sheet, Fiberglass Transparent Roof Sheet, PC clear roofing sheet, PVC Rain Gutter and Accessories.

We are located in Xiebian industrial area, Danzao Town, Nanhai District, Foshan City, Guangdong Province, China. We have 8 produce line, about 200 employee, Plant covers an area of 15000 square meters.

Welcome to contact us!

We are adopt advanced production equipment and technology we talk the rigorous science, green low-carbon production philosophy and humane management as the core.

We own good software and hardware facilities and obtained ISO9001:2008 international quality system certification as well as CE certification.

Create industry brand, build a beautiful home, Good quality, Good service. It's our sales philosophy

 Please contact us to show you!

Our Team

Company History Timelines

2015

Expanding the production scale, owning 4 production lines, passed certifying of ISO9001: 2008 quality management system

2016

Foshan ZXC plastic manufacturer was upgraded as Foshan ZXC New Material Technology Co., Ltd. The new facilities in high level have been completed and launched for mass production, covering an area of 15,000 square meters owning 8 production lines with annual output of 4,500,000 square meters. We were also successfully selected as CCTV brand show

2017

Selected as member of National Union of Resin tiles, taking part in working on the national standard on the ASA roofing tile sheet

2018

Honored as Vice-president of the Roof tiles Committee of China Association for the Circulation of Building Materials

2013

2010

Foshan ZXC plastic manufacturer was set up and the 1st production line was formed

2011

Expanding the production scale, built the 2nd production line

Expanding the production scale, owning 3 production lines, successfully searched ASA synthetic resin tile, 980 high wave plastic tile and launched to mass production
