# FAQ

\*? **Q: How long is the lead time?**

A: The lead time depends on the quantity and the complexity of the design. For standard products, the lead time is approximately 15-20 days. For custom products, the lead time may be longer. We will provide a detailed lead time schedule once we receive your order confirmation.

? **Q: Can you provide samples?**

A: Yes, we can provide samples for your reference. The sample fee is \$50 per set, which is refundable upon the first order.

? **Q: Do you offer OEM & ODM services?**

A: Yes, we offer OEM & ODM services. We can customize the product according to your requirements and provide you with a professional design and production process.

? **Q: What is the payment method?**

A: We accept T/T, L/C, and Western Union. The payment terms are 30% T/T in advance and 70% T/T before shipment.

? **Q: How do you ensure the quality of the product?**

A: We have a strict quality control system. We use high-quality materials and advanced production equipment. Our workers are trained and experienced. We will provide you with a detailed quality inspection report and ensure that the product meets your requirements.

? **Q: What is the shipping method?**

A: We offer sea freight, air freight, and express shipping. The shipping cost depends on the quantity and the destination. We will provide you with a detailed shipping schedule and cost estimate. • FOB: Shanghai, Shenzhen, Guangzhou
