# FAQ

\*? **Q1: How long is the lead time?**

Lead time depends on the quantity and the complexity of the product. For small quantities, the lead time is usually 7-10 days. For large quantities, the lead time is usually 15-20 days. We will provide you with a detailed lead time schedule after we receive your order.

? **Q2: Can you provide OEM/ODM services?**

Yes, we can provide OEM/ODM services. We have a professional R&D team and can help you design and develop your own products.

? **Q3: What is your payment terms?**

Our payment terms are T/T 30% in advance and 70% before shipment. We also accept L/C and other payment methods.

? **Q4: How do you ensure the quality of your products?**

We have a strict quality control system. We will inspect the products at every stage of production to ensure that they meet the highest quality standards.

\*? **Q5: How do you handle customer complaints?**

We will handle customer complaints promptly and fairly. We will investigate the cause of the problem and provide a satisfactory solution to the customer.

\*? **Q6: How do you ensure the security of your products?**

We have a secure production and distribution system. We will ensure that your products are delivered safely and securely to your destination.

\*? **Q7: How do you ensure the confidentiality of your products?**

We have a strict confidentiality policy. We will ensure that your product information is kept confidential and not shared with any third parties.

30% **Q8: How do you ensure the accuracy of your products?**

We will ensure the accuracy of our products by using high-quality materials and precise manufacturing processes. We will also provide you with detailed product specifications and quality control records.
