ZXC [PVC 產品](#)

TYPE 840 PIT

900 TYPE HIGH WAVE (FLOWING WATER FAST)

980 TYPE HIGH WAVE

1080 TYPE HIGH WAVE

(FLOWING WATER FAST)

1130 TYPE WAVELET

1130 TYPE PIT

1100 TYPE HIGH CIRCULAR WAVE

Delivery time **5 DAYS**
About **7000m²** per cabinet
About **28m³**

All new material
No recycled material

Hardness Testing

ASA Surface Thickness Test

Impact Resistance

Tensile Test

Measure product thickness
The product thickness is 2mm

Hot selling area
Central And South America
Oceania, Asia, Africa

PVC plastic steel tile PK iron sheet tile

QUALITY

Has superior corrosion resistance

Rusty and perishable

HEAT INSULATION

**New material plastic steel tile
Good thermal insulation**

**Direct sunlight iron tile
Temperature too high**

COLOUR

**ASA PVC ROOF SHEET
Long lasting and non fading**

Severe fading

Usage scenarios: factories
farms, chemical plants

Use scene:greenhouse,
residence,pergola

FAQ

*? **Q: How long is the lead time?**

A: The lead time depends on the quantity and the complexity of the design. For standard designs, the lead time is approximately 15-20 days. For custom designs, the lead time is approximately 25-30 days. We will provide a detailed lead time schedule once we receive your order confirmation.

? **Q: Can you provide OEM/ODM services?**

A: Yes, we provide OEM/ODM services. We can manufacture products according to your specific requirements and specifications. We have a professional design team and a strict quality control system to ensure the quality of our products.

? **Q: What is your payment terms?**

A: Our payment terms are T/T 30% in advance, and the remaining 70% is paid before shipment. We also accept L/C at sight. We are a professional manufacturer with a strong financial background.

? **Q: How do you ensure the quality of your products?**

A: We have a strict quality control system. We use high-quality materials and advanced manufacturing equipment. We have a professional quality control team that inspects every product before shipment. We also have a good after-sales service system to ensure customer satisfaction.

? **Q: Can you provide a sample of your products?**

A: Yes, we can provide a sample of our products. The sample fee is \$50 per piece, and the shipping fee is \$10 per piece. We will provide the sample within 7 days after receiving your order. We also have a good after-sales service system to ensure customer satisfaction.

? **Q: What is your company's main products?**

A: Our main products are various types of woven mesh, including PVC mesh, PE mesh, and PP mesh. We also provide OEM/ODM services. Our products are widely used in various industries, such as agriculture, construction, and packaging. We have a professional design team and a strict quality control system to ensure the quality of our products.
