

Foshan ZXC ASA Synthetic Resin Roofing Tile is a new type of roofing material produced by advanced coextrusion technology and special molding process using ultra-high weathering engineering resin ASA.

Product Name	Synthetic Resin Roof Tile
Place of Origin	Foshan city, Guangdong province, China (Mainland)
Guarantee	25 years
Delivery Time	1x20GP for 6 days, 1x40GP for 7 days
Overall Width	1050mm
Thickness	2.3mm/ 2.5mm/ 2.8mm/ 3.0mm
Wave Spacing	160mm
Brand	ZXC
Material	Acrylonitrile Styrene acrylate copolymer, Polyvinyl chloride, Calcium powder, other chemical materials
Certification	ISO9001 / SGS / CE
Section Length	219mm
Effective Width	960mm
Length	Must be a multiple of section
Wave Height	30mm

1. Minimum Order Quantity 100 square meter
2. Supply Ability We have 8 produce lines,about 13500 square meter every day
3. Payment Terms T/T , firstly pay 30% deposit,before loading container pay rest of payment L/C.
4. Shipping Full Container Load (FCL) Service,We do it by myself.
Less than Container Load (LCL) Service,We find our agents to do it.
Package Pallet or PE bag
Port Guangzhou / Shenzhen / Foshan
5. Application Villa roofing,House roofing, Garden, Grange, Container house, Flat to Slope Project, Etc

ZXC ASA

synthetic resin roof tile
Super toughness, guaranteed for 50 year. The color is more bright, beautiful but not fade. Anti-hail, batter free replacement. It is use better resin as raw material to ensure better toughness and longer service life.

ZXC ASA

synthetic resin roof tile
Super toughness, guaranteed for 50 year. The color is more bright, beautiful but not fade. Anti-hail, batter free replacement. It

is use better resin as raw material
to ensure better toughness and
longer service life.

Material Description

ASA raw material imported from GELOY Co., Ltd. The surface is as bright as a mirror. Containing no asbestos and radioactive elements, recyclable and fully meeting green environmental protection requirements.

Application

High-grade plants, steel factories, warehouses, farm market, market access, sheds and other high-end roofing materials.

Especially in corrosive chemical plants, smelters, ceramic plants, soy sauce factory, chemical plants, printing and dyeing plant, organic solvent factory, acid, alkali and other corrosive plant.

Product Features

1.Lasting Color

ZXC ASA roof tile is coated with ASA on surface and PVC on bottom, it is stable when exposed to chemical agents such as industrial emissions, fog, salt, acids, alkali etc.

2.Excellent Anti-load Performance

After testing, with a support distance of 660mm, loading 150kg, the roof tile will not crack and damage.

3.Good Sound Insulation

Has good noise absorption performance when it is affected by external noise such as heavy rain and wind.

4.Excellent anti-corrosion performance

After soaking for 24 hours in salt, alkali and 60% of various acids. It is very suitable for using in acid rain areas coastal areas, and the effect is particularly remarkable.

5.Excellent heat preservation and insulation performance

ZXC ASA roof tile is coated with ASA on surface and PVC on bottom, it is stable when exposed to chemical agents such as industrial emissions, fog, salt, acids, alkali etc.

6.Fire Proof Grade B

Difficult to burn, the fire proof level can reach Grade B and meets the common safety requirements in most areas.

7.Excellent Insulating Property

ASA synthetic resin roof tile is an insulation product, and it will be intact in case of accidental discharge.

7.Quick Installation

ASA synthetic resin roof tile has an effective width 960mm and high paving efficiency, light weight, easy loading and unloading, and with complete installation accessories.

Company Introduction

Foshan ZXC New Material Technology Co., Ltd is a professional manufacture for ASA Synthetic Resin Roof Tile, PVC Anti-corrosion Roof Sheet, APVC Plastic Roofing Sheet, UPVC heat insulation Roofing Sheet, Fiberglass Transparent Roof Sheet, PC clear roofing sheet, PVC Rain Gutter and Accessories.

We are located in Xiebian industrial area, Danzao Town, Nanhai District, Foshan City, Guangdong Province, China. We have 8 produce line, about 200 employee, Plant covers an area of 15000 square meters.

Welcome to contact us!

We are adopt advanced production equipment and technology we talk the rigorous science, green low-carbon production philosophy and humane management as the core.

We own good software and hardware facilities and obtained ISO9001:2008 international quality system certification as well as CE certification.

Create industry brand, build a beautiful home, Good quality, Good service. It's our sales philosophy

 Please contact us to show you!

Our Team

Company History Timelines

2015

Expanding the production scale, owning 4 production lines, passed certifying of ISO9001: 2008 quality management system

2016

- Foshan ZXC plastic manufacturer was upgraded as Foshan ZXC New Material Technology Co., Ltd. The new facilities in high level have been completed and launched for mass production, covering an area of 15,000 square meters owning 8 production lines with annual output of 4,500,000 square meters. We were also successfully selected as CCTV brand show

2017

- Selected as member of National Union of Resin tiles, taking part in working on the national standard on the ASA roofing tile sheet

2018

- Honored as Vice-president of the Roof tiles Committee of China Association for the Circulation of Building Materials

2013

2010

Foshan ZXC plastic manufacturer was set up and the 1st production line was formed

2011

- Expanding the production scale, built the 2nd production line

- Expanding the production scale, owning 3 production lines, successfully searched ASA synthetic resin tile, 980 high wave plastic tile and launched to mass production
